

# SGMUN 2020

*Redefining Diplomacy!*

**We're back with our Winter edition this October.**

*The world has become a global village and no age is too young to prepare for the future. For School & College students, Spectra Genie Model United Nations (MUN) conference serves as an ideal stepping stone into the global arena.*

It is our distinct pleasure to cordially invite you to the seventh Edition of Spectra Genie Online Model United Nations (SGMUN 2020), which will be held through Google Meet on 17th & 18th October 2020. Since its inception in 2016, SGMUN has offered its delegates an unrivaled Model UN experience by running highly-personalized, engaging and dynamic crisis committees.

This year, we look forward to running 5 committees that will cover a wide array of geographical areas and time periods, and we are confident that every School or College delegate will be able to find a SGMUN committee that sparks his or her interest.
